HAPPY EASTER!

Wishing everyone the joy of this Renewal.

KINGSGATE'S SAFE CHILD SCHEME

Kingsgate Management, in conjunction with Fife Constabulary have launched their Safe Child scheme for the protection of children who become separated from their parents while shopping in the town.

These simple actions by shop staff will make all the difference in effecting a swift re-uniting of parent and child.

If a child approaches you, keep them at the till point in full view of all within the store.

If possible keep two members of staff near to the child at all times.

Ask the child for their name and a family telephone contact number.

Inform your supervisor or security immediately.

Where you have use of a Shopsafe or equivalent radio system, transmit brief details/description IMMEDIATELY. Do NOT transmit names!

Where you do not have access to a Shopsafe or equivalent radio system, please contact Kingsgate Centre Security Control on 01383 735254 without delay. Kingsgate will coordinate.

Make a PA announcement within the store/centre.

If no carer is found within 5 minutes, contact the Police on Shopsafe or on 0845 600 5702 as this is now deemed a major incident.

EMMAUS POSTSCRIPT

We had such hope for him.

What happened?

He was killed

and our hopes died with him.

We had hoped

that he would be the one

who was going to set us free.

And wasn't he?

How could he be?

He was killed.

How did it happen?

We were betrayed.

Our leaders handed him over to the authorities.

He was killed

and our hopes died with him.

So what are you going to do?

What can we do?

Go home.

And then?

Go back to our lives as they were before.

Before?

Before we knew him.

Before he raised our hopes.

We had such hopes...

Then Jesus said to them,

"How foolish you are, how slow you are to believe..."

Risen Lord Jesus,

when all the world seems against us

keep our hopes alive.

Help us to remember

that after the crucifixion

comes the resurrection,

that after the darkness

comes the dawn,

and after the bitterness of defeat

comes a new beginning.

Keep our hopes alive

So that we may be ready.

KNIT ONE, GIVE ONE

Can you knit?

Looking for something to occupy your itchy fingers? Why not knit for others?

All sorts of people are looking for hand knitted items made by you – squares for blankets for disaster areas, hats, gloves, jumpers for children all over the world, teddies for orphans, teeny tiny hats and garments for premature babies, knitted breasts (yes, that's right, breasts!) for teaching young mums how to express milk. We have the patterns, needles, wool and also the contacts to receive your handiwork.

Can't Knit?

No problem! Come and learn. Apparently it's the new yoga and the coolest way to fill those spare minutes – all sorts of big stars are to be found knitting in their trailers on set. It's simple and you'll be making wonderful things before you know it.

Found yourself with a bigger stash of wool than you know what to do with?

Donate wool - and needles – for others to use.

You know it makes sense!

Thursday is the time set aside, but we are happy to receive your wool and your work at any time.

Ask for Kathryn.

She's the one who knows her knitting!
